

Uniform Traffic Control Devices Workshop

This course is designed for persons responsible for signing, signalization, and road marking. The class provides instruction and practice in the use of the Manual on Uniform Traffic Control Devices and the Oregon supplements to the Manual. Changes in the 2010 Manual will be addressed.

- MUTCD Overview
- Regulatory, Warning & Guide Signs
- Signals
- Markings
- Traffic Islands
- Work Zone Traffic Control
- School Zones
- Railroad & Light Rail Crossings
- Pedestrian & Bicyclist Considerations
- Rulings & Revisions
- Sign Inventory
- Retroreflectivity for Signs

OBJECTIVE

This workshop will provide an in-depth understanding of the warrants, applications and use of traffic control devices as required by the 2010 MUTCD and Oregon Supplements.

ENROLLMENT

Return the attached application form and fee to The Kiewit Center at least one week prior to the class. Registration is limited to the first 35 applicants. If a registration must be canceled, a full refund can be made only if a notice of withdrawal is received at least one week prior to the course starting date. A fee of one-half of the course tuition will be charged for cancellations after that period; substitute attendees are encouraged.

Registration fees cover tuition, course materials, morning coffee and donuts, break refreshments, and lunch.

COURSE LOCATION

The LaSells Stewart Center is located on the Oregon State University campus in Corvallis, at the corner of Western Blvd and 26th Street. Visitor parking is available in the OSU parking structure.

INSTRUCTIONAL STAFF

Instructors are professionals practicing in Oregon.

SCHEDULE

Registration is from 8:00 to 8:30 am. The class adjourns by 5 pm. An agenda listing subsequent start and end times will be distributed the first day.
