Calendar

MAR 11, Mon – **CE 419 Capstone Oral Presentations**, 111 Kearney Hall, all day.

MAR 11, Mon – **Science Pub**, "Why It’s Wrong to Wreck the World: Ethics and Climate Change," presented by Kathleen Dean Moore, author and Distinguished Professor of Philosophy, OSU. Old World Deli, 6-8pm.

MAR 13, Wed – **Dead Week Brain Freeze**! Take a break from homework and studying for a frozen treat in Kearney Atrium, 11-1:00 pm.

MAR 14, Thurs – **CCE 422/522 Green Building Materials** term project poster presentations in Kearney Atrium, 12-1:30pm.

MAR 14, Thurs – **Pi Day** at 1:59pm in Graf Hall on the 3rd floor. It will cost $2 a slice and the money is going to be donated to the food bank. Contact [David Honegger](mailto:david.honegger@oregonstate.edu) to help or bring a pie.

MAR 18-22 – **Finals Week**

In the News

**Congratulations** to David Trejo, honored with the rank of Fellow of the American Concrete Institute for outstanding contributions to the production or use of concrete materials, products, and structures in the areas of education, research, development, design, construction, or management. David will be honored during ACI’s April convention in Minneapolis.

**Jeff Firth**, a recent Oregon Stater awardee, comments on managing the massive I-5 Willamette River Bridge Project in this short ODOT video clip.

See the "Behind the Scenes" video that includes Alyssa Martin's (#24) reaction to the new OS athletics Nike rebranding. Alyssa is on the women's basketball team and is a junior in the CE program.

Seminars

MAR 12, Tues - **Structures** Faculty Candidate Presentation, 11am, 311 Kearney Library. All are invited to attend.

MAR 18, Mon - **Transpo** Faculty Candidate Presentation, 11am, 311 Kearney Library. All are invited to attend.

MAR 19, Tues – "Waves and Currents: Hawking Radiation in the Hydraulics Laboratory," presented by Gregory Lawrence, University of British Columbia. MU Journey Room, 4pm seminar; 5pm social.

MAR 21, Thurs - **Structures** Faculty Candidate Presentation, 11am, 311 Kearney Library. All are invited to attend.
Opportunities

**CCE Graduation Celebration** – save the date on Friday, June 14 for our School’s evening recognition event.

MAR 13, Wed - **Engineering Pro-School Application Workshop**, sessions offered at 40 and 5:00pm in 112 Kearney Hall. A presentation about the pro-school application process, recommendations to strengthen your candidacy, and answers to your questions. Presenters are Brett McFarlane (Director of Undergraduate Programs), Michelle McAlister (Head Advisor for Mechanical Engineering), and Tyler DeAdder (Head Advisor for Industrial, Manufacturing, and Energy Systems Engineering).

Engineering Sophomores - The MECOP Spring Selection application template is now available on the web at [www.mecopinc.org](http://www.mecopinc.org). Applications are due on April 10th. To apply, students will need to submit the online application, and send two paper copies by US mail along with two copies of unofficial transcripts, and the MECOP agreement printed from the website and signed, to the MECOP office. There is an application Checklist on the website that lists the application instructions and mailing address.

Student Groups

The Contractor’s Night (April 12th) Student Sign-Up sheet is now available in Kearney 101. This year there is a **mandatory** meeting for all students attending Contractor’s Night, on Tuesday, April 2nd at 4:30 PM in Kearney 112. See Lauren Farmen in Kearney 101F if you will be unable to attend this meeting…one alternative date will be set.

MAR 12, Tues - **AGC Speaker Meeting**, Turner Construction Co. is cancelled due to scheduling conflicts. HOWEVER, at 6:00 PM in Kearney 112, Turner would like you to enjoy dinner on them! They hope to reschedule for a date in the spring around the engineering fair date.

MAR14, Thurs - **Stettler Supply Company** will be conducting on-site interviews for a full-time Project Engineer in Kearney 101C. There are 10 interview slots still available, so sign-up in Kearney 101F today.

MAR 15, Fri - Resumes for **CS Construction** due by 12:00 PM today to Kearney 101F. CS Construction is a General Contracting/Development Company with a volume between $15-$20/million per year and growing. They are interested in meeting potential engineers that might want to work in Bend.

Spring Classes

**CE570 – Environmental Geotechnics**

**CE505 - Construction Site Operations and Systems Engineering**

Prof Kate Hunter-Zaworski invites CEM students to sign up her **CE 590 Railroad Engineering** this spring term.

Jobs
