## Jobs

ENTRY-LEVEL PROJECT ESTIMATOR - [T.J. Nisbet Construction](#), Inc. is a commercial General Contractor who specializes in restaurants. We are focused on national chains and the franchise community. Located in Clackamas, we have been in business for 30 years and have completed major projects in nine states. A candidate with a CEM degree is preferred. It would be a great opportunity for a person interested in breaking into our industry. Because we are a small privately-held company, there is opportunity to gain experience on all levels of commercial construction including project management.
