Traffic Safety Technical Assistance

**ADA Curb Ramp Design Checklist**

Tuesday, August 9, 2022  
1:00-2:30 p.m.  
Technical Assistance Webinar

The technical assistance workshop is focused on the ODOT [ADA Curb Ramp Design Checklist](#). In addition, there will be an overview of Part 800 Pedestrian Design of the draft [ODOT Highway Design Manual](#) practices.

The webinar is designed for those who work in the transportation and transit field including traffic engineers, technicians, and transportation design professionals who want to gain an in depth understanding of ODOT ADA curb ramp design checklist. Attendance at the webinar is limited so that there can be active discussion and dialogue.

**INSTRUCTIONAL STAFF**  
Taundra Mortensen, P.E, ACTCP Senior ADA Standards Engineer, ODOT

**SCHEDULE**  
Tuesday, August 9, 2022 from 1:00-2:30 pm.

**COURSE LOCATION**  
Webinar format using Zoom

**ENROLLMENT**  
Register online as soon as possible. Since the class size is restricted, an additional session may be offered.
