## Graduation Celebration

At the 2013 CCE Graduation Celebration on Friday, June 14, over 950 students and their guests were in attendance. COE Dean Sandy Woods presented faculty honors to **Mike Olsen**, Hoffman Faculty Scholar, and **Scott Ashford**, Kearney Professor of Engineering.

**CONGRATULATIONS** to the recipients of our CCE Outstanding Student Award, announced at the Graduation Celebration last week in the LaSells Stewart Center. This annual award is given to a student that best exemplifies the knowledge, skills, abilities, attitude and work ethic expected of graduating senior. Faculty from each discipline area nominate and then award a deserving student with an engraved plaque. This year's honor goes to **Ben Sundberg** (CE) and **Jordan Gerding** (CEM).

Speaking on behalf of their respective programs and presenting highlights of the year for the various student groups were **Elizabeth Hess** (CE) and **Bryan Pendergrass** (CEM).

## Opportunities

**There’s still time...to apply for a Fulbright Award, commencing in 2014-15.**

### **Introducing Fulbright Flex Awards**

In order to engage U.S. scholars unable to spend extended periods of time abroad, the Fulbright Scholar Program welcomes applications from faculty and researchers who propose multiple, short-term stays in the host country over a period of two to three years. Flex Awards are also designed for scholars who require multiple visits abroad to accomplish their research objectives. In addition to their research activities, Flex award scholars will be required to give public talks, participate in seminars, mentor students, and otherwise engage with the host country academic community. Specific details on invitation requirements and grant length will vary by country, and can be found in each individual [award listing](#). For more information about this new program model, visit our website or the [Fulbright Scholar Blog](#). **The deadline to apply for the [core Fulbright U.S. Scholar Program](#) is August 1, 2013.** To learn about the full range of Fulbright Scholar Program opportunities and eligibility requirements, visit: [www.iie.org/cies](http://www.iie.org/cies). [Fulbright Scholar Program](#) at Oregon State (includes a list of eight OSU faculty who received Fulbright awards this past year). For feedback on draft [Project Statements](#), please contact Julie Walkin in International Programs (541-737-6419, [Julie.walkin@oregonstate.edu](mailto:Julie.walkin@oregonstate.edu))

---

## Advising

**Sandy and Janice** will take **walk-ins** through the end of summer. However, they will not be available on START days (new student advising) so it’s a good idea to call or email first (541-737-6144, [cce\\_advising@oregonstate.edu](mailto:cce_advising@oregonstate.edu)) to find out if someone will be available to see you.
