CCE Graduation Celebration

There was a great recap of the celebration in the previous newsletter. [Now we have photos!](#)

Order of the Engineer

“The Order of the Engineer was initiated in the United States to foster a spirit of pride and responsibility in the engineering profession, to bridge the gap between training and experience, and to present to the public a visible symbol identifying the engineer.” The Order of the Engineer induction ceremony was held on June 14 with eighty eight OSU engineering students inducted. Terracon gift

The Geotechnical Engineering Group in the School of Civil and Construction Engineering celebrates another win, with the recent grant award from the Terracon Foundation, an arm of Terracon Consultants, Inc. Eric Lim, Brice Plouse (OSU '12), and Joanna Wagner travelled to Kearney Hall on June 21st to present the \$2,500 Terracon Foundation Graduate Fellowship to CCE Faculty Armin Stuedlein and Scott Ashford. The scholarship will be used to help recruit top graduate students to the OSU Geotechnical Group and the gift by the Terracon Foundation is greatly appreciated. Go Beavs! [See photos here.](#)

Advising

Today is the deadline to submit your CE or CEM Pro-School application!

~~~~~

**Sandy and Janice** will take **walk-ins** through the end of summer. However, they will not be available on START days (new student advising) so it's a good idea to call or email first

(541-737-6144, [cce\\_advising@oregonstate.edu](mailto:cce_advising@oregonstate.edu)) to find out if someone will be available to see you.

For the very first time, **FOR 365** (Issues in Natural Resources Conservation) will be taught online via E-campus for 9 weeks followed by a **10 day field excursion to Costa Rica** (Dec 12-22) where the final lessons of the course will be explored hands-on. This **three credit Bacc Core course** is open to all OSU students, regardless of major. Student must apply to participate in this program. **Applications must be submitted by July 8, 2013.** [More information here.](#)

The **Academic Success Center**, in collaboration with Summer Session, will be providing academic coaching throughout the summer. We'd love to work with students beginning week one of summer term! An academic coach can help you manage summer sessions effectively, bolster test-taking strategies, learn reading and note-taking tactics and find resources to support your goals.

There are multiple ways to set up an appointment:

- 1) Call 541-737-2272 – get an appointment right away!
- 2) Stop by the Academic Success Center in 102 Waldo Hall.
- 3) Email a coach at [osu.success.coach@gmail.com](mailto:osu.success.coach@gmail.com) and include your phone number for a call back.
- 4) Distance students can call 541-737-2272 to set up Skype or phone appointment.
