## Scholarships

Do you want to earn \$2,000 to use for the 2013-14 academic year?

[Apply for the Hamilton Scholarship today!](#)

Just submit the following items to Lauren Farmen @ [lauren.farmen@oregonstate.edu](mailto:lauren.farmen@oregonstate.edu) by **October 15, 2013**:

1. Complete the [application form](#)
2. Attach an unofficial copy of your latest transcript
3. Attach a two page statement explaining why you qualify, along with a description of your career objectives

It will be the easiest \$2,000 you ever earn! Good luck!

### **AGC Education and Research Foundation Scholarship Application Open Now**

*Final Deadline Nov. 1 for 2014-15 Academic Year*

Get an early start on the AGC Education and Research Foundation scholarship [application](#) this summer! Join the over 3,000 students who have gotten their start as AGC members through a foundation scholarship worth \$2,500, renewable for up to three years. Students in ABET or ACCE-accredited construction management or construction-related engineering programs must be entering their sophomore, junior or senior year (or the final year of a five-year program) in the fall of 2014 in order to apply. Graduate students are eligible for \$3,750 annually for up to two years.

Some tips to students who want to apply: become a member of the AGC student chapter at OSU; identify one employer and one faculty member to write your (online) evaluations; and start your application early to avoid any last-minute surprises. The foundation awarded [130 scholarship recipients](#) for the 2013-14 academic year. After having read the application [criteria](#), students may contact Foundation Director Melinda Patrician, (703) 837-5342 or [patricianm@agc.org](mailto:patricianm@agc.org) for additional information.

---

## Advising

**Sandy and Janice** will take **walk-ins** through the end of summer. However, they will not be available on START days (new student advising) so it's a good idea to call or email first (541-737-6144, [cce\\_advising@oregonstate.edu](mailto:cce_advising@oregonstate.edu)) to find out if someone will be available to see you.

~~~~

**Summer study tables at The HUB** {Batcheller 144}:

ENGR 112      Fridays 3-5 pm  
ENGR 211      Fridays 11am-noon

~~~~~

The **Academic Success Center**, in collaboration with Summer Session, will be providing academic coaching throughout the summer. We'd love to work with students beginning week one of summer term! An academic coach can help you manage summer sessions effectively, bolster test-taking strategies, learn reading and note-taking tactics and find resources to support your goals.

There are multiple ways to set up an appointment:

- 1) Call 541-737-2272 – get an appointment right away!
- 2) Stop by the Academic Success Center in 102 Waldo Hall.
- 3) Email a coach at [osu.success.coach@gmail.com](mailto:osu.success.coach@gmail.com) and include your phone number for a call back.
- 4) Distance students can call 541-737-2272 to set up Skype or phone appointment.

### **Attention CCE Alumni! Slayden Construction is seeking a Project Engineer...**

Slayden Construction, a Northwest based heavy civil construction company, is hiring an experienced Project Engineer with a minimum of 2 years of experience. Preferred area(s) of experience include heavy civil or environmental (bridges, hydroelectric, water treatment, wastewater treatment, river restoration, and fisheries).

Desired candidate must have a B.S. in Construction Management or related field. Position requires a background in field administration and the construction process. You must also be familiar with submittals, schedules, shop drawings, and other project administration and documentation. Successful candidate must possess a strong work ethic, be self-motivated, demonstrate effective communication skills (oral and written), and must have the ability to meet required deadlines. Must have strong computer skills; proficiency in Microsoft Office and Viewpoint is a plus.

Please send cover letter, resume, and compensation requirements to [slaydenjobs@gmail.com](mailto:slaydenjobs@gmail.com). Equal Opportunity Employer. Employer participates in Everify.

Job Title: **Construction Coordinator**

Company: **CH2M Hill**

Location: **Hillsboro, OR**

Start Date: July/August, 2013

Minimum Qualifications: BS CEM

Job Description: The Construction Coordinator (CC) is the focal point of all trade activities for equipment installation at a major chip manufacturer. We are an established team which is responsible for driving and planning coordination of all install activities.

Responsibilities include:

- Manage construction schedule to meet contractual milestones.
- Coordinate work among all trades, vendors, and client stakeholders.
- Field verification, and daily tracking of construction progress.
- Mitigate impacts to factory production.
- Mitigate safety hazards, and foster an Incident and Injury-free culture.
- Manage and execute required paperwork/documentation.

Note: This will be a full-time position, as a contract hire. We are not seeking interns or summer hires. Submit Resumes to [kevin.commins@ch2m.com](mailto:kevin.commins@ch2m.com).
