Seminar

Wed, July 24 – 2-3pm. “Are Adaptive Signal Control Systems a Solution to Urban Congestion?” A Transportation Engineering Seminar. 205 Kearney Hall. [Abstract](#).

Opportunities

Need a chance to get out of your building? Come to the library to learn or improve your research skills! Give yourself some time to learn more about using Qualtrics, data management techniques, or Zotero, Mendeley, EndNote or EndNote Web to make formatting all those references for your next paper or article so much easier. Check out the OSU Libraries Summer Graduate Student and Faculty Workshop series running from July 23-25. All sessions held in Valley 2082 (Autzen classroom). Click on the links to register and find out more about each free workshop. Or visit:

<http://ica.library.oregonstate.edu/subject-guide/656>

~~~~~

Interested in grad school? **GRAD 420** is a 1 credit course that is offered on campus every fall term and online every term. The course provides information to undergraduate students on how to prepare themselves to find, and be accepted into, a graduate program. Details can be found [here](#) and [here](#).

~~~~~

The Close to the Customer Project (C2C), a faculty/student market research firm operating within OSU’s College of Business, is working with an external client to evaluate a variety of food products. We are seeking individuals interested in participating in an exercise in which they will be tasting and responding to questions about eight different food products. The exercise will last 30-45 minutes and participants will be compensated with a \$10 gift card. . The exercise is open to anyone over 18 years old. Anyone interested just needs to follow this link to a short questionnaire:

https://orst.qualtrics.com/SE/?SID=SV_6tjfoKwdbNFot6Z. Someone from C2C will be in contact soon.

~~~~~

**Fall 2013 Civil P.E. Review Course.** Mondays & Wednesdays, August 19-September 25. **Portland State University.** [More information here.](#)

~~~~~

Thu, July 18 - **Hiring Our Heroes Veterans Event**

9 am–2 pm, Lane County Armed Forces Reserve Center, Springfield

This one-of-a-kind free hiring fair for employers and veteran job seekers, active duty

military members, guard and reserve members, and military spouses is free of charge. Employers and job seekers are strongly encouraged to pre-register. Walk-ins are welcome but space is limited. 9 am employment workshop, hiring fair 10 am–2 pm. [Click here for a flyer](#).

Advising

Pro-School Applicants: Pro-School admission decisions have been emailed but you will not be able to register for pro-school classes until your major has been changed (from pre-CE to CE or pre-CEM to CEM). **YOU DO NOT NEED TO DO ANYTHING. Just wait and check your status periodically until you see that your major has changed.**

~~~~~

**Sandy and Janice** will take **walk-ins** through the end of summer. However, they will not be available on START days (new student advising) so it's a good idea to call or email first (541-737-6144, [cce\\_advising@oregonstate.edu](mailto:cce_advising@oregonstate.edu)) to find out if someone will be available to see you.

## Jobs

All jobs will also be posted at: <http://cce.oregonstate.edu/civil-construction-jobs>

~~~~~

Position title: **Mechanical Engineer**
Location: **Nationwide**

Under the guidance of a Senior Engineer, this person will perform basic engineering design tasks, collect data, assist with preparation of construction documentation, perform calculations, evaluate mechanical systems and prepare drawings. Any exposure to mechanical systems such as HVAC design, plumbing, process piping would be a helpful but not required. [More information here](#).

~~~~~

Position title: **Full Time Structural Engineer (Engineer in Training)**  
Company: [Miller Consulting Engineers, Inc.](#)  
Location: **Portland, OR**

A great opportunity if you are a recent graduate looking for a small firm to begin your career. [More information here](#).

~~~~~

Position title: **Survey/Grade Control Field Engineer**
Company: [Kerr Contractors, Inc.](#)
Location: **Woodburn, OR**

We are looking for a CE/CEM grad who has interest and/or course work in survey. Based on our current workload, we need to expand our group of self-performed survey and GPS

grading management. [More information here.](#)
