Seminar

AUG 12, Mon – “Non-Destructive Determination of Yield stress for In-Situ Gusset Plates,” presented by Ms Therese Pflaum in defense of the Masters of Science Degree. 312 Kearney Hall, 10am. Advisor: Prof. Chris Higgins. [Read abstract here.](#)

Congratulations

To Assistant Professor Hyun Woo “Chris” Lee, recipient of a "2013 Early Career Award" by ELECTRI International in their July Council meeting in Chicago. [See announcement here.](#)

Are You a Former AGC Foundation Scholarship Recipient?

We want to catch up with our scholarship recipients of years gone by. If you received an AGC scholarship, we would like to find out where you are now. Please respond to this very short [survey](#) and let us know what you’re doing. If you know of a scholarship recipient, please forward this article to him or her to help us out. The Foundation has awarded over 3,000 scholarships totaling nearly \$9 million since 1970 to students in construction management and construction related engineering programs. The application for the 2014-15 academic year is available at www.scholarship.agc.org. You will also find the eligibility criteria at this site. *For further information or questions regarding the application not answered on the site, please contact Foundation Director Melinda Patrician, (703) 837-5342 or patricianm@agc.org.*

Opportunities

November 2013 - Women Construction Leadership Seminar - The 5th Annual Women's Construction Leadership Seminar is looking for the country's top 50 female student leaders. Those selected to attend this seminar will tour a multimillion-dollar project, learn from successful Kiewit managers and create camaraderie with other women in this growing, dynamic and fun industry. They are searching for the best and brightest in the construction, engineering and mining industries. To apply, go here: www.kiewit.com/wcls. Application deadline is September 21.

Advising

Sandy and Janice will take **walk-ins** through the end of summer. However, they will not be available on START days (new student advising) so it's a good idea to call or email first (541-737-6144, cce_advising@oregonstate.edu) to find out if someone will be available to see you.

Jobs

All jobs will also be posted at: <http://cce.oregonstate.edu/civil-construction-jobs>
