## Calendar

**Friday, Jan. 17 – 4:00 PM - The Ninth Edwards Lecture, Joyce Powell Leadership Room: Journey Memorial Union.** “Geometrically Enhanced Differential Immunocapture: Using obstacle arrays in microfluidic devices to enhance efficient and pure rare cell capture from fluid suspensions.” – Dr. Brian J. Kirby, Sibley School of Mechanical and Aerospace Engineering, Cornell University.

**Monday, Jan. 20 – Martin Luther King, Jr. Day – All offices closed.**

## In the News

[New green machine accelerates Oregon’s sustainable building industry](#) – **The Daily Barometer.** Green Building Materials Laboratory welcomes the arrival of its state-of-the-art environmental chamber.

**Kristina Milaj, a fourth-year civil engineering student at OSU, was recently named as one of 10 [New Faces of Civil Engineering – College Edition](#) by the [American Society of Civil Engineers](#) (ASCE).**

## Opportunities

**COE scholarship applications are now OPEN! To apply, visit [here!](#) Deadline is February 15, 2014.** If you have any questions about the scholarship application, email [askengineering@oregonstate.edu](mailto:askengineering@oregonstate.edu).

**Advanced American Construction, Inc. of Portland,** formed the Schweiger Memorial Scholarship Fund to provide scholarship to students working to realize their dreams in the Construction/Engineering industry. Information and application can be found [here](#). Deadline to submit application is March 1, 2014.

**Hello students! What are you doing to better your leadership skills, and how will you demonstrate that to future supervisors or graduate schools as you apply to your next stage in life?** The Center for Leadership Development invites you to join us on **Saturday, February 15, 2014** in the Memorial Union for our annual Art of Leadership Conference.

Dr. Larry Roper, Vice Provost for Student Affairs, will be our keynote speaker. After Dr. Roper’s address, choose different avenues for growth in personal leadership development, intergenerational leadership skills, and design thinking.

The day will begin with check-in from 10:30am-11am, will include free lunch, and conclude with our scholarship drawing for three \$1,000 scholarships just before 4pm.

Registration is now live! You can visit [our webpage](#) to register and read a description of the workshops. Preregistration is available for our new and off-the-beaten-path design thinking workshop to reserve your space, as this workshop will be offered only once and with limited availability.

If you have any questions about the day’s events or registration, feel free to e-mail [hilary.hall@oregonstate.edu](mailto:hilary.hall@oregonstate.edu).

**New student group: oSTEM@OSU.** The goal of oSTEM is "...to empower and connect LGBTQA individuals within STEM majors, preparing them for the professional world and life ahead."

If you are interested in joining one of the pizza-catered interest sessions, feel free to join the group on January 14 or 15 at 6 p.m. in Kelley, Room 1007. If you have questions about the group, please email [oSTEM@oregonstate.edu](mailto:oSTEM@oregonstate.edu). You can also visit the oSTEM Facebook group for more information at [facebook.com/ostem.osu](https://facebook.com/ostem.osu).

## Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

Sign-up sheets for on-campus interviews with [Anning-Johnson](#) and [Charter Construction](#) are still available in Kearney 101B. You must submit a resume to sign-up.

In addition to what you see above, Lauren Farnen is currently accepting resumes for [Quality Plus Services](#), Western Construction and [J&S Masonry](#). If you are interested, bring your resume to Kearney 101B.

**Note:** If you are still interested in an interview with any company that has come to campus, but were unable to get an interview, we encourage you to bring your resume to their speaker meeting. You may also submit your paperwork to Lauren Farnen in Kearney 101B, and she will submit it to the company.

**Idaho Power** Company will be hiring seven engineering interns again this year! Of the seven internships, they will hire four electrical, two mechanical and one civil position. For more information see the attached posting. To apply, go to: <https://www.idahopower.com/Careers/Internships/default.cfm>.

**Dembergh Brown Builders Seeking Project Engineer:** Residential Construction Project Engineer – Leading Ketchum-based general contractor is seeking to hire a full-time project engineer/ project assistant to join our dedicated staff of building professionals. Applicants should have at least 2 years' experience in residential and/or commercial construction management, along with BS in Construction Management or related field. Applicants must demonstrate a proficiency in organization and communication skills along with advanced skills in: PC, MS Outlook, MS Excel, MS Word, MS Project, Blue Beam, Adobe Reader/illustrator, FTP applications and 50 WPM typing. Please send cover letter and resume to [Chad@demberghbrown.com](mailto:Chad@demberghbrown.com).

**The College of Engineering** is now accepting applications for two (2) Student Coordinators for Study Abroad. The Student Coordinator is a member of a small team reporting to the Coordinator for International Programs. New appointees will train between 5-10 hours per week for one term and then work 10 hours per week in following terms. This is an exciting opportunity for globally-minded individuals to help engineers gain international experience! For consideration, interested students should send a resume, expected OSU graduation date, and cover letter detailing their qualifications to [Mr. Caine Francis](mailto:Mr.CaineFrancis) by **Tuesday, January 21st, 2014**.

**O.H. Hinsdale Wave Research Laboratory:** Are you interested in gaining experience teaching and mentoring undergraduates? Are you interested in attending the 10<sup>th</sup> Conference on Earthquake Engineering, in Anchorage Alaska? Are you interested in education and outreach? An Education and Outreach Assistant position is open at The O.H. Hinsdale Wave Research Laboratory. We are looking for a graduate student work (hourly) over the summer and spring to assist with an Research Experience for Undergraduates program and other outreach and education activities. If you are interested in more information please e-mail [Alicia.Lyman-Holt@oregonstate.edu](mailto:Alicia.Lyman-Holt@oregonstate.edu). (Please note this position is not a GRA/GTA, but an hourly job).

Go Beavs!
