[Graduation](#) | [Jobs](#)

## Calendar

MAY 20, Mon - [PLSO Student Appreciation Night](#), LaSells Stewart Center, 5:30 pm.

MAY 25, Sat – [Fort Hoskins Commander's House Open House](#), Philomath. Learn the history of Fort Hoskins and the Commander's House, recently moved back to the fort where it was constructed in 1857. This 156-year-old house is one of the oldest and most historic structures in Oregon.

May 27, Mon – [Memorial Day](#) is a day of remembrance for those who have died in our nation's service. No classes; all OSU and CCE offices closed (yay).

MAY 27, Mon – [Memorial Day Concert](#), LaSells Stewart Center, 7pm. Free admission but donations gratefully accepted.

JUNE 1, Sat – [FE & FLS Applications Due](#) for October 2013 exam.

## Seminar

MAY 23, Thurs - "Probabilistic Analysis and Mapping of Seismically Induced Landslide Deformation in Oregon," presented by Mr **Mahyar Sharifi-Mood** in defense of the Masters of Science Degree. 205 Kearney Hall, 9am. Advisor: Prof. Michael Olsen. [Read abstract here.](#)

## In the News

[Video of OSU Kenya trip now available](#) (*LIFE@OSU*)

A team of five Oregon State students, plus a technical mentor, traveled in July 2012 to the Kenyan village near Lake Victoria. The team oversaw drilling of a well and construction of a rainwater catchment system, culminating three years of work and planning.

Two new Transportation CCE faculty hires –

- **Salvador Hernandez** joins us from the University of Texas at El Paso and earned his PhD from Purdue University in 2010. Sal will join our transportation group as an Assistant Professor and is an expert in freight, with emphasis in safety and logistics. Sal will arrive over the summer.
- **Shane Brown** is a Beaver alum who earned his PhD right here in Corvallis! Shane taught for the past several years teaching civil engineering at Washington State University. He is an expert in engineering education and transportation engineering and will also join us over the summer.

## Opportunities

All faculty, students and staff who would like to sign a card of condolence to the family of **Sue Frey** should do so before Thursday, May 23, in 101 Kearney Hall. Sue was our Masonry Design instructor for many years, and did a great job of preparing her students for professional practice. Sue passed away last week after a 10 year battle with cancer.

MAY 21, Tues - [MBA Information Session](#) from 6-7 pm in 207 Bexell Hall, hosted by the College of Business Graduate Programs. This is a great opportunity to learn about the program, the new on-campus tracks (Marketing, Wealth Management, and Global Operations) along with the current tracks Commercialization, Clean Technology, Research Thesis, an Accountancy-MBA and MBA/Pharm.D.

MAY 22, Wed - [Optimize Connections with LinkedIn](#), ILLC 155, 6-7pm. Did you know most jobs are not posted and the majority are found through networking? John Hill, LinkedIn higher education evangelist, will share best practices and strategies on how you can personally utilize LinkedIn to brand and market yourself online, network with alumni and professionals in your field, and leverage your brand and network in the job and internship search. *Sponsored by OSU Alumni Association, OSU Foundation, & Career Services.*

MAY 31, Fri – [Student Loan Repayment Workshop](#), Memorial Union 109, 12pm. Lois DeGhetto, Financial Aid Advisor will hold a session to discuss the many options students may be able to take advantage of such as consolidation and loan forgiveness. It is open to anyone that is interested regardless of graduation status.

MAY 31, Fri – **Day of Caring**. The Center for Civic Engagement is coordinating this event with United Way of Benton and Lincoln Counties and HandsOn Willamette. [See the list of projects available and register now.](#)

---

## Student Groups

MAY 22, Wed - **Steel Bridge Team** will hold captain elections for next year in 241 Owen Hall at 6pm. All who are interested are welcome to attend.

MAY 23, Thurs - **ITE Speaker Meeting**. Michael Liebler will speak about the City of Springfield TSP Development. 305 Kearney Hall, 5:30pm. Snacks and refreshments provided.

MAY 22, Wed - **AGC Speaker Meeting**: Advanced American Construction (a heavy civil and marine company). Join us at 6:00 PM in Kearney 312 for the presentation followed by dinner.

---

## Advising

First Year Students – [register for fall term.](#)

---

## Upcoming Classes

[CCE 321 – Engineering Materials](#), an 8-wk summer session beginning June 24 (Matt Adams)

[CE 471 – Foundations for Structures](#), Fall 2013 (Dr. Matt Evans)

[CE 505 – Design for Safety in CCE](#), Fall 2013 (Dr. John Gambatese)

---

# Graduation

June 14, Fri - [CCE Graduation Celebration](#), register online to attend **before June 4**.

June 15, Sat - [OSU Commencement](#). All candidates must wear traditional cap and gown. No tickets required.

---

## Jobs

**OSU Counseling and Psychological Services (CAPS)** is looking for two responsible and well organized students to join our student outreach team. [Details](#).

McGuire and Hester is looking for a **Project Engineer** to assist a Senior Project Manager and field management team with routine field and cost engineering. This position is located in the BAY AREA (*it was originally advertised for their Portland area office...Note: the location has changed*) and will require travel to projects throughout Oregon and Northern California. Candidates must have a degree in civil engineering or construction management; strong communication skills and the ability to work independently and as part of team. A valid driver's license and clean driving record is required. If you are interested, please contact Lauren Farmen in Kearney 101A. The company will be willing to conduct interviews via Skype.

[WRK Engineers](#), out of Vancouver, WA, is currently looking to add engineering staff with varying levels of experience. We specialize in structural and seismic engineering. Resumes and cover letters can be directed to the principle engineer, Brian Knight, SE, PE, but please contact Jasmine Brenneman for questions.

WRK Engineers  
215 W 12th St, Ste 202  
Vancouver WA 98660  
360-695-9731 Ext. 100

**Construction Project Engineer - [Triplett Wellman](#)**. The position would entail reviewing/processing shop drawings/submittals, attending site meetings, coordinating with subcontractors and project design team both submittals and final products, assisting the estimating department in soliciting to the bidding public with upcoming projects and assisting the project managers in developing subcontracts and change order pricing. The position is based in their home office, located in Woodburn but the applicant will be responsible for projects in the Portland area, as far north as Woodland and as far south as Salem. Triplett Wellman intends to conduct interviews for qualified candidates at their main office in early to mid-June. The intended hire date is June 17. To apply, please send your resume to:

Steve Duch, [steve@triplettwellman.com](mailto:steve@triplettwellman.com)  
Project Manager  
503-982-4188 / fax 503-982-0390

**Project Engineers (2)** - Robinson Construction Company of Hillsboro. To apply, please send your resume to [lauren.farmen@oregonstate.edu](mailto:lauren.farmen@oregonstate.edu), or bring it to Kearney 101A. The deadline is June 7. [See job description for more information](#).
