Calendar

OCT 2, Wed – [COE Out-of-State Welcome Reception](#). Are you a new engineer from outside Oregon? We'd like to welcome you to OSU at a special reception. Swing by for free food, giveaways, and a chance to connect with Engineering Ambassadors and staff. 144 Batcheller Hall, 4-5pm.

Seminar

OCT 3, Thurs – *"Preliminary Study of the Interaction Between Waves and Seabed from the Geotechnical Point of View,"* presented by Tae-Hyung Kim, PhD (Korea Maritime and Ocean University). 312 Kearney Hall, 4:30pm. [Read abstract here](#).

Opportunities

OCT 5, Sat – [Dog Day at Osborn Aquatic Center](#) also includes three sessions of puppy fun! \$5 per dog minimum suggested donation. Donations benefit Corvallis Parks and Recreation's Family Assistance Program, aiding 1000+ families in the Corvallis area in funding their participation in the activities we offer. No human swimmers! All ages welcome.

OCT 11 - **Free parking** in student/visitor lots expires (excluding Service, Reserved and Metered spaces).

Participate in child care needs assessment. Childcare and Family Resources is funding this assessment in efforts toward better understanding the child care needs of our families on campus, the financial picture around availability, the costs of care for University families, and to determine whether an additional university subsidized child care center is needed on campus. As a part of this assessment, there will be three focus groups (students, faculty and staff) held on campus that will be facilitated by Linda Mills of Mills Consulting Group. Linda will also conduct stakeholder interviews and an online survey about child care needs. As a member of the OSU community, please consider registering to participate. All information expressed during these meetings will be confidential. My apologies for scheduling of the staff focus group on the day that Corvallis public schools are closed. If people are unable to attend but are interested in sharing their experiences, they are welcome to contact me to let me know. Understanding the experiences of OSU employees who have been parents is an integral part of this assessment process. If you or someone you know is interested in participating, please contact robynn.pease@oregonstate.edu, or 541-737-4852 to register for the faculty or staff focus groups. Space is limited so please contact me soon.

- Faculty Focus Group - Thursday, OCT 10, 12-1pm in MU 208
- Staff Focus Group - Friday, OCT 11, 12-1pm in MU 208

OCT 1-2-3 - [Supplemental Nutrition Assistance Program](#) (SNAP) consultation from 1pm-4pm in Snell 230. A representative from the Department of Human Services will be in during these hours, and will be able to review and accept/deny applications onsite. Students who want a meeting can either drop in, or call 541-737-3747 in order to set up a time.

Student Groups

Officers, please remember to forward club info to [CCE News](#) by Friday each week!!

Engineers Without Borders OSU - In June, our team composed of three engineering students and our professional mentor traveled to Lela, Kenya to drill a second well for the community. Thanks to safety measures such as hardhats on loan from CCE, our team was able to safely complete the well. The well, known among local community members as "Lela B" now provides clean drinking water year-round to the community that can be used for drinking, cooking, and bathing. [See photo here.](#)

Dad's Weekend: As the school year is quickly approaching, that means that Dads and Family Weekend is right around the corner on Nov. 1-3. The Memorial Union Program Coordinators are in the process of planning the program for the weekend, and would love to include any activities that you have going on. Send the date, time, and brief description of any activities you have planned to Caitie Karcher or Jessica Hammock no later than Friday, Oct. 4, 4 p.m.

Recruitment of CCE students for the 2013-14 school year is underway! We have 25 AGC "Speaker Meetings" (company informational sessions) scheduled for the months of October and November, and 13 companies have already reserved interview rooms. Be sure to check your weekly CCE newsletter for dates, times, and company information. You may also go to the [AGC Student Chapter website](#) "events calendar" for more information. Remember, we recommend that all of our CCE students complete two internships before they graduate. Get started today!

Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

Ballard Diving and Salvage is seeking a full-time Project Manager/Estimator.
