Opportunities

Advanced American Construction, Inc. of Portland, formed the Schweiger Memorial Scholarship Fund to provide scholarship to students working to realize their dreams in the Construction/Engineering industry. Information and application can be found [here](#). Deadline to submit application is March 1, 2014.

The Portland Chapter of the Construction Financial Management Association (CFMA) is accepting scholarship applications for the 2014-2015 academic year. \$2,000 to \$3,000 scholarships will be awarded to area students enrolled full time in an accredited program and majoring in accounting, finance or construction management. Electronic submissions are recommended and forms can be downloaded from our website at www.cfma-portland.org. Scholarship applications are due no later than March 15, 2014. For questions, the scholarship committee can be contacted by email at CFMA@cfma-portland.org or 503-869-0171.

The Bullitt Foundation is now accepting applications for the 2014 [Bullitt Environmental Fellowship](#). Each year, one outstanding graduate student from a university located in the Pacific Northwest or British Columbia is selected for this prestigious award of \$100,000, distributed over two years. The Fellowship was established in 2007 to honor Priscilla Bullitt Collins, the late chair of the Bullitt Foundation who donated her time, energy and money working for the public good. More information, FAQ's, and application instructions are located on their [website](#). Deadline is April 1, 2014.

The Pacific Northwest Section of the American Water Works Association is accepting scholarship applications for the 2014-15 academic year. Last year, award amounts varied between \$2000 and \$4000 per person. For more information and to apply, visit their [website](#). Deadline to apply is Feb. 28, 2014.

The Wire Reinforcement Institute (WRI) Education Foundation is sponsoring scholarships ranging from \$1,500 to \$3,000 for beginning and continuing engineering students seeking undergraduate or graduate degrees in civil or structural engineering. As the concrete construction industry's leading advocate for structural welded wire reinforcement (SWWR), WRI knows the value of a well reinforced foundation, whether it's to support a building or build a career. To apply, visit the [website](#). Deadline is April 15, 2014.

The Association of State Dam Safety Officials undergraduate scholarship for students in engineering and related fields is due **March 31st**. For more information and to download the application, go [here](#).

The Portland Chapter of the Construction Financial Management Association (CFMA) is now accepting scholarship applications for the 2014-2015 academic year. \$2,000 to \$3,000 scholarships will be awarded to area students enrolled full time in an accredited program and majoring in accounting, finance or construction management.

Electronic submissions are recommended and forms can be downloaded from their website at <http://portland.cfma.org/committees/scholarship>. Deadline is March 15, 2014.

The College of Engineering is now accepting applications for Engineering Ambassadors. For application information, go to: <http://wme.engr.oregonstate.edu/be-ambassador>.

Winter Career Fair Seminars & Events begin on Monday, February 10th through Tuesday, February 18th sponsored by OSU Career Services. These are great opportunities for students to find out what employers are looking for in a resume, learn tips and strategies to make interviews a success, and get advice on using social media to find a job! Learn how to be successful at the Career Fair and how to strengthen your professional portfolio. For more information please follow this link: <http://oregonstate.edu/career/seminars-and-events>.

The 2014 OSU Winter Career Fairs are coming up on February 19th and 20th. On Thursday, Feb. 20, the college hosts the **Engineering Career Fair** while the All Majors Fair is on Wednesday, Feb. 19. Numerous companies will be joining us looking for YOU to work for their company. Students are welcome to come to both fairs! For a full list of employers attending, please look at the following link: <https://oregonstate-csm.symplicity.com/events/students.php?mode=list&cf=W14CareerFairs>.

Google Resume Session: Google recruiter My-Linh is giving individual feedback during time slots on the afternoon of Friday, February 21. She has asked students to RSVP using the following link and to come prepared with resume. This video is suggested for students to review: <http://www.youtube.com/watch?v=5wa9J7iXOh0>. Sign up at: <http://goo.gl/MWns2a>.

CCE needs volunteers to participate in an [online survey](#). The survey tests the comprehension levels of multiple traffic sign alternatives. The survey results will be used as a preliminary study and will influence the design of a driving simulator research environment. Thanks for the help!

Faculty Regalia Rental: The OSU Beaver Store faculty regalia rental page has been updated for this year and is ready for orders to be placed. Orders can be placed at the following web address: <http://osubeaverstore.com/faculty/regalia/>

Orders are due by April 15th to assure enough time to have them received and delivered to your buildings before commencement. All rentals are due back to the OSU Beaver Store by June 20th, 2014 (the Friday after commencement).

Student Groups and Speaker Meetings

Tuesday, Feb. 18 – 12:00 p.m. – ASCE Speaker Meeting with Clear Energy America, Owen Hall Room 101. Clean Energy America (CEA) is a national speakers program designed to establish a dialogue about the benefits of nuclear energy as a clean, reliable and affordable source of electricity. Pizza provided.

Tuesday, Feb. 18– 6:00 p.m. – AGC Speaker Meeting with [Nordic PCL](#), Kearney Hall, Room 112. Food and drink provided.
