Calendar

Thursday, March 6 – 4:00 p.m. – OSU CCE/MIME Graduate Research Expo - Double Tree by Hilton Portland.

In the News

The College of Engineering Oregon Stater Awards were held on Friday, Feb. 21. Congratulations to all the honorees, including the three from CCE. **Joshan W. Rohani**, a project manager at David Evans and Associates, was named to the Council of Outstanding Early Career Engineers. **Lee R. Zink**, area manager for Kiewit Infrastructure West, was named to the Academy of Distinguished Engineers and **James R. Plasker**, retired executive director of the American Society for Photogrammetry and Remote Sensing, was named to the Engineering Hall of Fame.

OSU CCE graduate student Adriana Piemonti was selected the first-place winner in the graduate division of the ASCE-EWRI 2014 Congress Student Technical Paper Contest for her paper "Correlating Human Preferences and Optimized Watershed Management Plans." Congratulations!

2014 CCE/MIME Graduate Student Research Exposition registration is **closed**. Thank you to all who registered. More details to come!

The CE vs. CEM basketball game has been **postponed**. It will be rescheduled for a new date/time TBD next week.

Opportunities

Advanced American Construction, Inc. of Portland, formed the Schweiger Memorial Scholarship Fund to provide scholarship to students working to realize their dreams in the Construction/Engineering industry. Information and application can be found [here](#). Deadline to submit application is March 1, 2014.

The Portland Chapter of the Construction Financial Management Association (CFMA) is accepting scholarship applications for the 2014-2015 academic year. \$2,000 to \$3,000 scholarships will be awarded to area students enrolled full time in an accredited program and majoring in accounting, finance or construction management. Electronic submissions are recommended and forms can be downloaded from our website at www.cfma-portland.org. Scholarship applications are due no later than March 15, 2014. For questions, the scholarship committee can be contacted by email at CFMA@cfma-portland.org or 503-869-0171.

The Bullitt Foundation is now accepting applications for the 2014 [Bullitt Environmental Fellowship](#). Each year, one outstanding graduate student from a university located in the Pacific Northwest or British Columbia is selected for this prestigious award of \$100,000, distributed over two years. The Fellowship was established in 2007 to honor Priscilla Bullitt Collins, the late chair of the Bullitt Foundation who donated her time, energy and money working for the public good. More information, FAQ's, and application instructions are located on their [website](#). Deadline is April 1, 2014.

The Pacific Northwest Section of the American Water Works Association is accepting scholarship applications for the 2014-15 academic year. Last year, award amounts varied between \$2000 and \$4000 per person. For more information and to apply, visit their [website](#). Deadline to apply is Feb. 28, 2014.

[The Wire Reinforcement Institute \(WRI\) Education Foundation](#) is sponsoring scholarships ranging from \$1,500 to \$3,000 for beginning and continuing engineering students seeking undergraduate or graduate degrees in civil or structural engineering. As the concrete construction industry's leading advocate for structural welded wire reinforcement (SWWR), WRI knows the value of a well reinforced foundation, whether it's to support a building or build a career. To apply, visit the [website](#). Deadline is April 15, 2014.

The Association of State Dam Safety Officials undergraduate scholarship for students in engineering and related fields is due **March 31st**. For more information and to download the application, go [here](#).

The Portland Chapter of the Construction Financial Management Association (CFMA) is now accepting scholarship applications for the 2014-2015 academic year. \$2,000 to \$3,000 scholarships will be awarded to area students enrolled full time in an accredited program and majoring in accounting, finance or construction management. Electronic submissions are recommended and forms can be downloaded from their website at <http://portland.cfma.org/committees/scholarship>. Deadline is March 15, 2014.

The National Association of Women in Construction – Salem, OR Chapter, is sponsoring a \$1,000 scholarship for students in Civil, Structural, Construction, Mechanical, and Electrical Engineering. The deadline to [apply](#) is April 1, 2014.

DCI Engineers and HDG Design Group in Spokane are partnering to sponsor a **European Travel Scholarship** for Summer of 2014. The scholarship is open to students in their 3rd, 4th year or graduate level of study at an accredited architectural, structural engineering or interior design school in Washington, Idaho, Montana and Oregon. One student will be selected from a 30-60 second video they submit to DCI and HDG. The winner of the travel scholarship will travel to four European cities and will contribute daily photos and journal to our DCI Blog. To apply, email dciahdhg@gmail.com. Deadline is April 15.

[Hugh Kearns](#), internationally recognized speaker, educator and researcher will be presenting five workshops geared toward graduate student success in writing, time management, presentations and personal confidence from March 6-10. There will also be a workshop specifically for faculty who mentor research students. Register [online](#).

The CCE Geomatics group will be offering this spring term CE 463/563 Control Surveying (4 credit hours) and additionally Prof. Schultz will also offer CE 469/569 Property Surveys (3 credit hours). U.S. Public Land Surveys: restoration of corners, subdivision of sections; topographic mapping; subdivision and partition plats, resurvey plats, subdivision design; introduction to LIS/GIS; field astronomy. Prereq: CE 361, CEM 263, or FE 208.

The CCE Transportation Group needs volunteers to participate in an [online survey](#). The survey will help to gain insight on the behaviors of drivers and cyclists at intersections in Oregon, and help to develop the experimental layout at the simulator lab afterwards. Thanks for the help!

Faculty Regalia Rental: The OSU Beaver Store faculty regalia rental page has been updated for this year and is ready for orders to be placed. Orders can be placed at the following web address: <http://osubeaverstore.com/faculty/regalia/>

Orders are due by April 15th to assure enough time to have them received and delivered to your buildings before commencement. All rentals are due back to the OSU Beaver Store by June 20th, 2014 (the Friday after commencement).
