Calendar

Friday, May 16 – [2014 OSU Engineering Expo](#) - 11:00 a.m. – Kelley Engineering Center.

In the News

Congratulations to the Oregon State University ASCE Student Chapter for winning four awards handed out by the organization! The chapter was honored with the following:

2014 ASCE Distinguished Chapter Award for Region 8 (top chapter in OR, WA, AK, HI, ID, MT, NV, UT, AZ)

2014 Richard J. Scranton Outstanding Community Service Award - top chapter in the nation

2014 Outstanding Practitioner Advisor Award for Region 8 - Ken Archibald

2014 Outstanding Faculty Advisor Award for Region 8 - Tom Miller

Opportunities and Scholarships

[REGISTER NOW FOR THE CCE GRADUATION CEREMONY!](#) The School's recognition ceremony and dessert reception for the graduating Class of 2014 will be held at the LaSells Stewart Center on Friday, June 13 at 7:00 PM. The evening celebration is an opportunity for to honor and acknowledge all our CE, CEM, and graduate students. It's a fun evening – last year CCE had over 1200 people attend! We hope you will join in the celebration! [To confirm your participation, you must RSVP before June 4.](#) NOTE: This graduation celebration is separate from the University's Commencement and you will need to register for the events separately.

SUMMER CE AND CCE COURSES AVAILABLE! ENROLL NOW! [CE 413/513](#) and [CCE 321](#) will be available to take this summer. Visit the links for more details. CE 413 is a technical elective for CEs. CCE 321 is required for both CEs and CEMs.

Volunteers needed for Wave Lab Open House May 3rd (OSU Mom's weekend)!

Have you ever wanted to know about the Wave Lab? Sign-up to be a wave lab volunteer tour guide and you can become an insider! We need your help providing guided tours to visitors during Mom's weekend; you can even bring your mom! Volunteers are needed on May 3. We will provide training the week before the tours. Training at 4 pm on Tuesday April 29th, Noon Wednesday April 30th, if you can't attend either of these by special request. Mostly tours guides work in pairs to provide tours (so sign-up with a friend or make a new one). We will provide a tee-shirt and pizza for all volunteers. Signs up are found here: <http://signup.engr.oregonstate.edu/>. If you would like more information please contact Alicia Lyman-Holt (Alicia.lyman-holt@oregonstate.edu or 541-737-3665).

OSU civil engineering students are invited to apply to attend the Student Days conference developed by the Construction Institute (CI) of the American Society of Civil Engineers (ASCE) together with the 2014 Pipelines Conference Steering Committee. CI developed Student Days (to be held in Portland, OR, from August 3-6) as a program for civil engineering students designed to introduce students to the construction engineering aspects of the industry using a unique approach that brings classroom lessons to life. Students will work in teams with practitioners for three days to develop winning solutions to a civil engineering problem. Corporate recruiters and CI Board Members will be on site to evaluate the students and judge the winning team, based on their solution and presentation. **For more information about CI's Student Days,**

please visit <http://www.ascestudentdays.org/events/oregon/>

Holocaust Memorial Week at OSU will run from Monday, April 28, to Friday, May 2. If you would like further information on any of the events during the week, details are available at their [website](#).

Earth Week is fast-approaching! This annual celebration runs April 20th-26th and features fun, educational activities to raise environmental awareness and engagement. For a complete listing of events, visit the [Earth Week Calendar](#).

The Engineers Without Borders OSU Chapter Annual Banquet is coming up in just a month! The event is a formal dinner with music, entertainment, and stories about the work EWB-OSU has done to provide basic human needs to communities around the world. The banquet is also a chance for students from various departments to get excited about amazing professional level engineering projects that build real world skills.

Date: Sunday, May 4th, 2014

Time: 5:00pm to 9:00pm

Ticket Price: \$50 General, \$35 OSU Student, \$400 Table (10 Seats)

[Tickets can be purchased at our website](#) or through mailed in check at the address below. If you have any questions please contact Katherine Agnew at agnewka@onid.orst.edu.

Money, Money, Money: Budgeting & Funding Requests for COE Student Organizations

WHO: Leaders of COE Student Organizations

WHAT: Join Brett McFarlane, Director of Undergraduate Programs, and Scott Paja, Coordinator of Career & Leadership Development, to learn about managing your organization's budget, fund-raising, and opportunities to secure COE funding for your organization.

WHEN: Tuesday, April 22nd, 4:00 – 5:00pm

WHERE: The HUB {Batcheller 144}

RSVP: Please email Cate.Olson@oregonstate.edu to reserve your place in the workshop.

[David Evans and Associates, Inc.](#) has posted their scholarship information and application for the 2014-2015 academic year. They are offering a scholarship to one minority and/or woman student who is earning a bachelor's degree in civil engineering or geomatics. More information, as well as the scholarship application, can be found on their website at <http://www.deainc.com/scholarships.aspx>. Deadline is May 15.

Critical Systems, Inc. provides products and services for organizations that are developing micro and nano technologies. The company launched the Breakthrough Technologies Scholarship last year, and this will continue for years to come. The company is offering two scholarships per year to third and fourth-year undergrad students in engineering, math, and/or science that are showing an interest in these technologies. Note that the first scholarship's open period began March 15th (sorry for the late notice), but continues through the end of April, so there is plenty of time to apply. Here is a link to the webpage that explains how to apply for the available scholarships: <http://www.criticalsystemsinc.com/scholarships>.

The Board of the Structural Engineers Association of Oregon (SEAO)

Scholarship Foundation is requesting applications from qualified students for their annual scholarship awards. SEAO SF has approved two or more scholarships of at least \$3,000, one \$3,500 Don Kramer Memorial Scholarship, and one \$3,500 Susan M. Frey Memorial Scholarship. To apply, send completed [application](#) to [Professor Thomas Miller](#) by April 25, 2014.

The Simpson Strong-Tie Structural Engineering/Architecture Student

Scholarship for the upcoming Fall 2014/2015 school year is now available. Simpson Strong-Tie's Structural Engineering/Architecture Student Scholarship Program assists students who are pursuing undergraduate study in Structural Engineering or Architecture. This program offers scholarships to support education and encourage the design and building of safer structures in our communities. OSU has been selected to participate in the program. Detailed information along with a brochure/application is available at the following link on their website -

<http://www.strongtie.com/scholarships/index.html>. Applications due April 25.

Student Groups and Speaker Meetings

AGC Student Chapter Golf Tournament sign-up sheets are now available in Kearney 101.

Monday, April 21 – ASCE Speaker Meeting – 6:00 p.m. – Owen Hall, Room 102.
– [Pillar Consulting Group](#), dinner provided.

Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

[Scarsella Bros, Inc.](#) is completing Phase 3 of the Eddyville corridor on Highway 20; it is a 40 million dollar project and would be a great learning experience for students who are interested in Heavy Highway Construction. To apply, please send resume, cover letter and any questions to recruiter@scarsellabros.com.

[NuScale Power, LLC](#) is seeking two interns; one Project Management Intern and one Project Controls Intern (position descriptions below.) The internships are for the summer, but will most likely be available part-time during the fall as well. To apply, go to: <http://www.nuscalepower.com/careers.aspx>.

[Abbott Construction](#) is seeking another summer intern. For more information, and to apply, go to: <https://theapplicantmanager.com/jobs?pos=JR164>.

[BC Group, Inc.](#) is seeking a CEM intern! They are a construction and development consulting firm acting as Owner's Representative for Clients for development and construction projects. The selected candidate will have the opportunity to work on projects ranging from predevelopment and construction of large projects to small construction investigation and repair projects. They are a small office located in NW Portland's Pearl District. Interested students should submit a cover letter (emphasizing a statement of interest in development in addition to construction, addressed to Bob Beauchemin), resume, unofficial transcript and any letters of recommendation to amyn@bcgroup-inc.com.

[Guilkey Construction, Inc.](#) is seeking a full time Assistant Project Manager. Interested students should send their resume to paul@guilkeyconstruction.com.

Talent Scout Associates are looking for two Project Managers and one Superintendent here in the Portland, OR area. To apply, send resume to [Timothy Behrens](#).

Note: If you are still interested in an interview with any company that has come to campus, but were unable to get an interview, we encourage you to bring your resume to their speaker meeting. You may also submit your paperwork to Lauren Farnen in Kearney 101B, and she will submit it to the company.
