Opportunities and Scholarships

[REGISTER NOW FOR THE CCE GRADUATION CEREMONY!](#) The School's recognition ceremony and dessert reception for the graduating Class of 2014 will be held at the LaSells Stewart Center on Friday, June 13 at 7:00 PM. The evening celebration is an opportunity for to honor and acknowledge all our CE, CEM, and graduate students. It's a

fun evening – last year CCE had over 1200 people attend! We hope you will join in the celebration! [To confirm your participation, you must RSVP before June 4.](#) NOTE: This graduation celebration is separate from the University's Commencement and you will need to register for the events separately.

SUMMER CE AND CCE COURSES AVAILABLE! ENROLL NOW! [CE 413/513](#) and [CCE 321](#) will be available to take this summer. Visit the links for more details. CE 413 is a technical elective for CEs. CCE 321 is required for both CEs and CEMs.

[CE 471: Foundations for Structures](#) is available once again in the Fall! The class will meet Monday and Wednesday from 2:00 to 3:20 p.m. For more information, [visit the class announcement](#).

Oregon Chapter American Public Works Association plans to award a [\\$3,000 Civil Engineering/Geomatics scholarship](#) and a [\\$500 Civil Engineering Sustainability Polvi scholarship](#) to 2014-2015 students at Oregon State University. Click the above links for the applications and submit to [Tom Miller](#), deadline is May 30.

[Participants are needed for a driving simulator study.](#) If interested, contact [Mohammad Islam](#).

Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

TS Gray Construction is a strong GC with large portfolio and varied commercial building and CM experience. They are currently seeking a Full Time Project Engineer. Both CE and CEM majors are welcome to apply. Interested candidates should **promptly** submit a Resume, Cover Letter, Letters of Recommendation and discussion of expectations and career objectives to [Tony Seashore](#) and [AJ Michaud](#).

[Loy Clark Pipeline Co.](#) is seeking a summer intern with the possibility of the position turning into full time within the year. See the attached job description for the skill set that they are seeking. Interested students should submit their cover letter with resume ASAP to [Nick Olsen, Operations Manager](#). Interviews for qualified candidates will most likely be held at their Tualatin, OR based office (12705 SW Herman Rd. Tualatin, OR.)

[Baldwin General Contracting, Inc.](#) is seeking an intern for this summer. Students who are looking and eager for work should submit their **resume and cover letter** ASAP to Jeff Bushnell at jeffb@baldwingeneral.com. Baldwin has projects this summer in Eugene and Portland and their office is in Albany, so the position will be somewhat local.

[Jet Industries](#) is a successful design build HVAC, plumbing, electrical, fire sprinkler and wood products contractor. What began as a small family-run heating company founded in 1977 has grown into one of the largest companies of its type in the country, with over 350 employees! Jet's Engineering Department provides in-house engineering and drafting services to facilitate their design/build projects for all divisions. To apply, email Doug.n@jetindustries.net.

Lauren Farnen is currently accepting resumes for [Glen/Mar Construction](#) (summer internship.) If you are interested, bring your resume and other paperwork to Kearney 101B ASAP.

Note: If you are still interested in an interview with any company that has come to campus, but were unable to get an interview, we encourage you to bring your resume to their speaker meeting. You may also submit your paperwork to Lauren Farnen in Kearney 101B, and she will submit it to the company.
