## Upcoming Thesis Defense

**Friday, August 22 – 9:00 a.m. – Kearney Hall, Room 311.** “Multi-Hazard Framework and Analysis of Soil-Bridge Systems: Long Duration Earthquake and Tsunami Loading” – Trevor Carey, M.S. candidate. Advisor: Prof. H. Benjamin Mason and Prof. Andre R. Barbosa

---

## Advising

**ADVISING UPDATE – OSU CCE advisors** are now taking walk-in appointments until October 2. They will resume appointment-only advising in October.

---

## Opportunities and Scholarships

**The NSF Graduate Research Fellowship Program (GRFP) application period is now open!** NSF is soliciting applications for the GRFP until the posted deadlines in late October and early November 2014. Since 1952, GRFP has provided Fellowships to individuals selected early in their graduate careers based on their demonstrated potential for significant achievements in science and engineering. Three years of support is provided by the program for graduate study in science or engineering and leads to a research-based master's or doctoral degree. The NSF expects to award 2,000 Graduate Research Fellowships under this program solicitation pending availability of funds:

**Beaver JobNet will soon be replaced by [Beaver Careers](#).** To learn more about Beaver Careers, visit the following [link](#).

**The AGC Education and Research Foundation Scholarship application for the 2015-16 academic year [is now available online](#).** The application period runs through midnight EST November 3 but students can get a jump on the process by starting now! Full criteria for scholarship eligibility and the application may be found at [scholarship.agc.org](http://scholarship.agc.org).

Students in ABET or ACCE-accredited civil engineering or construction management programs are eligible for \$2,500 scholarships, renewable for up to three years. Students

must be entering their sophomore, junior or senior year (or the final year of a five-year program) in the fall of 2015 in order to apply. Graduate students are eligible for \$3,750 annually for up to two years.

[NSF STEM Scholarships of up to \\$10,000 annually](#) (based on need) are available for graduate study in water resource and science engineering. To learn more, visit [OSU's Water Resources Graduate Program](#).

## Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

[Olsson](#) is hiring a full-time **Construction Project Manager**. The Construction Project Manager provides leadership, direction and oversight during all phases of construction, around a fully operational jobsite, in various locations around the northwest, as well as from our main offices in Springfield, OR. This is a multifaceted position with wide ranging responsibilities. Three to five years of experience necessary. To apply, email [Shelly Walter](#).

[Aerotek Staffing](#) has an immediate opening for a **Project Coordinator/Project Engineer** with 2-5 years of experience working in engineering or a construction based environment. This job is with an architectural, design-build company located in Portland Oregon. To apply, email [Jason Obilana](#).

[Aerotek Staffing](#) has an immediate opening for two **Civil Engineers** with at least 2-3 years of experience in a broad range of civil engineering fields. Preferable candidates will have experience in utilities, water resources involving open channel flow, for the development of industrial facility sites. To apply, email [Jason Obilana](#).

Note: If you are still interested in an interview with any company that has come to campus, but were unable to get an interview, we encourage you to bring your resume to their speaker meeting. You may also submit your paperwork to Ashley Wittenauer in Kearney 101B, and she will submit it to the company.

Go Beavs!
