Opportunities

COE scholarship applications are now OPEN! To apply, visit [here](#)! Deadline is February 15, 2014. If you have any questions about the scholarship application, email askengineering@oregonstate.edu.

Advanced American Construction, Inc. of Portland, formed the Schweiger Memorial Scholarship Fund to provide scholarship to students working to realize their dreams in the Construction/Engineering industry. Information and application can be found [here](#). Deadline to submit applications is March 1, 2014.

The Rogers Foundation currently funds one \$1,500 scholarship each academic year. The scholarship check is awarded at the Annual Meeting of the Oregon-Columbia Chapter of the Associated General Contractors held in January.

Scholarship selection is based upon the following criteria: academic record, personal attributes and heavy/civil construction-related career goals. Applicants must be U.S. citizens and senior-level students majoring in Construction Engineering Management at Oregon State University. Preference will be given to students who plan to enroll in graduate school the following fall and major or minor in Construction Engineering Management (CEM). Current OSU graduate students majoring in Construction Management are also invited to apply. For an application packet, please email [Lauren Farnen](#).

ENTRIES ACCEPTED - SEI STUDENT STRUCTURAL DESIGN COMPETITION

Enter the 2014 SEI Student Structural Design Competition and gain invaluable professional, technical and networking experience, compete for cash prizes, complimentary registration, and the opportunity to present at Structures Congress. Innovative projects demonstrating excellence in structural engineering are invited for submission. Awards include an opportunity to present finalist designs at [Structures Congress 2014 in Boston, MA, April 3 – 5, 2014](#), cash prizes, and complimentary registration for Structures Congress (up to three student registrations and one full registration for the faculty advisor).

Entries are due January 3, 2014 for design projects completed in 2013. Learn more at www.asce.org/SEI

A review course for the Fundamentals of Engineering (FE) exam will be available starting on Wednesday, Jan. 15, at 6:40 p.m. on the Oregon State University campus. Early registration fee is \$80 and is available until Dec. 15. To enroll, or for more information, click [here](#).

Jobs

(all current jobs posted at <http://cce.oregonstate.edu/civil-construction-jobs>)

The School of Civil and Construction Engineering is recruiting a Teaching Assistant for CCE 201 in the Winter term. The student should be proficient in AutoCAD. The part-time position requires availability from 0800 - 0920 on Tuesdays and Thursdays plus several additional hours per week outside of the scheduled class time. Contact Joe Fradella at joe.fradella@oregonstate.edu if interested.

Delta Sand & Gravel is seeking applicants for a Small Projects Estimator / Aggregate Sales Manager Position in Eugene, OR. If you are interested in this position please submit a resume to spicket@deltasg.com.

Friendly Reminders

CCE Seniors, if you selected to be in the CE or CEM 2014 composite photo, please check your email and view the proof from Vantine Imaging. If your picture and name do not match, or if there are any spelling errors, please contact [Lauren Farmen](#) immediately. She will be approving the photos on Wednesday, Dec. 18.
