In the News

Congratulations to our **Seismic Design Team** who competed in Seattle, WA at the [2013 Undergraduate Seismic Design Competition](#) and the EERI National Meeting, **placing second** among 36 national and international teams! Team members include *Ben Sundberg, Elizabeth Hess, Thanh Huynh* and *Jakob Walter*. Their balsa wood building was one of only 10 buildings to survive the set of four earthquakes. [See results here.](#)

Seminars

FEB 18, Mon - **Transportation** Faculty Candidate Presentation, 11am, 311 Kearney Library. All are invited to attend.

FEB 20, Wed - **Transportation** Faculty Candidate Presentation, 11am, 311 Kearney Library. All are invited to attend.

Opportunities

Take A Break and Help! – The [CH2M-Hill/OSU Model Bridge Contest](#) is on Saturday, Feb 23 in Owen Hall. This annual event provides a service to community, interaction with high school students, and watch them load their basswood bridges to failure. Sign-up sheet in 101 Kearney or contact [Abigail](#) to sign up for a two hour volunteer slot, or

the whole day! Free drinks and food.

[Help OSU Lead in Sustainability – Take Charge](#). The OSU Sustainability Office and Energize Corvallis invite you to help make OSU a leader in sustainability by trying three energy-saving actions in February during Campuses Take Charge, a program started by an OSU grad student in 2008.

Engineering Career Fair

FEB 28, Thurs - **Engineering Career Fair**. 11 am–4 pm, CH2M Hill Alumni Center. Visit the [Career Services](#) site for more information about OSU career fairs and career resources. Visit the [Company Participants](#) page to see a list of the companies that will be at the Career Fair.

Beaver JobNet

Set up your account:

1. Visit our website at: <http://oregonstate.edu/career>
2. Click on the circle that says "Student Login."
3. From here you can fill out your profile, and when it is completed your Beaver JobNet homepage will appear on the screen.

To apply for job opportunities:

1. After you log into Beaver JobNet, click on "Search Employers" (you can select which company you're interested in from the attached spreadsheet)
2. Type the company name in the "Keywords" box, then scroll down and you will see it as a link
3. Next screen click on the "Available Positions" tab, the job will show up as a link
4. It will say "APPLY" if you meet the criteria which the company has requested (such as major, year in school, etc.), if not receiving the apply button, please check in the "application states" what criteria is not met or documents not downloaded.

FEB 19-20 – [Engineering Mock Interviews](#) in Batcheller Hall Lobby. Prepare for the Engineering Career Fair and MECOP placement interviews with a mock interview. All engineering majors are welcome. Interviews will start at 6:00pm, 6:30pm, 7:00pm, and 7:30pm and last 20-25 minutes. Students must sign up online prior to the event. Contact Olivia Girod (girod@onid.orst.edu) with questions.

FEB 20, Wed - [Resume Renovation with Dr. Harding](#). The Engineering Career Fair is right around the corner – February 28th! You'll make your best impression with a polished resume. Dr. Phil Harding is the College of Engineering's resident expert on career advancement and professional development. Bring a copy of your current resume to get feedback and suggestions for improvement. The HUB {Batcheller 144}, 11-12pm. Open to engineering students. RSVP: Space is limited to 20 students. Reserve your space by emailing Nicole Kent (nicole.kent@oregonstate.edu)

FEB 20, Wed - [OSU Virtual Career Fair](#) - for all OSU students, all majors invited.

FEB 25, Mon - Negotiating Pay Benefits and Weighing Job Offers, OSU Library Willamette East and West, 3rd Floor, 11:00am - 12:00pm

FEB 25, Mon - How to Prepare for Success at the Career Fair, OSU Library Willamette East and West, 3rd Floor, 1:00pm - 2:00pm

- Professional Land Surveyors of Oregon – March 1

[Grads](#)

- American Water Works Association - March 1
- [Hydro Research Foundation](#) – March 1
- University Graduate Laurels Block Grant Scholarship – March 15

Research for Undergrads

[PEER Internship Program for Undergraduates](#). The Pacific Earthquake Engineering Research Center (PEER) is pleased to offer unique opportunities this summer for outstanding undergraduate students to participate in state-of-the-art research focused on the theme of Engineering Earthquake Resilient Communities. Recent earthquakes in the US and around the world have repeatedly shown that earthquake resilience is essential to building and sustaining urban communities. Earthquake resilience will play an increasingly important role in the professions associated with earthquake hazard mitigation. Deadline to apply is February 25.

Student Groups

FEB 19, Tues - **Mentors 360**, a professional organization that provides panel discussions and mentorship programs for college student groups. A group of young professionals (including OSU grads from the past 10 years) to answer your questions about working in CE and CEM. 112 Kearney Hall, 6pm.
