On October 26, 2013 the ABET Board of Directors approved on second reading the following modification to the 2014-15 *Accreditation Policy and Procedure Manual*. Section II.6. Public Release of Accreditation Information by the Institution/Program. II.A.6.b. Each ABET-accredited program must publicly post annual student enrollment and graduation data per program. Additionally, at the time of the next general or interim review, the Self Study or Interim Report must reflect how the program(s) have complied with this policy. This information is posted on the OSU CCE School website in a link labeled OSU Civil Engineering Program – Enrollment and Graduation Data at: <http://cce.oregonstate.edu/accreditation>
